

Product information

HD 440 care lotion

HD 440 at a glance

- Care lotion for stressed and sensitive hands
- Contains avocado oil and glycerine
- Absorbs quickly without becoming greasy
- Perfume- and dye-free

Properties

HD 440 from Dürr System Hygiene is a perfume- and dye-free care lotion for protection and care of stressed and sensitive hands. HD 440 absorbs quickly without becoming greasy.

Product composition

HD 440 is an oil-in-water (O/W) emulsion. HD 440 contains avocado oil and glycerine.

Ingredients

Aqua, Ethylhexyl Stearate, Glycerin, Cetearyl Isononanoate, Propylene Glycol, Phenoxyethanol, Lauryl Glucoside, Polyglyceryl-2 Dipolyhydroxystearate, Persea Gratissima Oil, Carbomer, Sodium Hydroxide, Ethylhexylglycerin, Citric Acid.

Directions for use

HD 440 may be applied multiple times daily, as needed, by rubbing it into the hands after washing and drying them. Use HD 440 sparingly. The lotion is dispensed either directly out of the 500-mL bottle, using a threaded pump dispenser or using a universal product dispenser. Do not apply on children younger than 3 years.

Environmental impact

The packaging is made of polyethylene and polypropylene and can thus be recycled or incinerated. For recycling, flush bottles with water.
